Tuition: Fees are listed on the registration form. While the Catechists are volunteers, there is still a substantial cost to providing classes for such things as materials, staff, and equipment – approximately \$325 per student. Fees were increased this year to bring them more in line with the actual cost and with other programs in area churches (St. Patrick's tuition is still the lowest). Full or partial payment can be made with registration. Please make checks payable to St. Patrick's Parish. Full tuition payment is due by December 31, 2014. ***No family is denied participation in classes for financial reasons.*** Assistance with fees is available when needed. For more information, please call Cheryl at 725-8381, ext. 107 or email at cstinski@tcces.org.
